MONEY SAVINGS TRANSFERABLE EFFICIENT QUICK DELIVERY

NEW FEATURE
NOW WITH STANDARD ELECTRIC DOOR LOCKS

DIABLO

The SpaceKap Diablo offers the largest interior volume available in the industry while being exceedingly aerodynamic. With and interior height of 6'3" all your employees will be able to stand up straight in this utility service body. Natural lighting from our skylights located at the front and standard energy-efficient LED lighting, 40/60 rear doors make the Diablo a benchmark in the industry.

	Diablo 6	Diablo 8
Interior Height	75"	75"
Width on Floor	49.5"	49.5"
Length on floor	82"	98"
Weight	725 lbs	825 lbs
